

⚡ 180° STACK AND NEST CONTAINERS

close

- Perfect for storing or shipping-- nests to save space.
- An extra strong container that takes plenty of industrial abuse.

Long lasting injection molded polyethylene resists industrial solvent-- temperature resistant from -40°F to +176°F. Smooth bottom enables use on roller or belt conveyors. Ribbed top can be used in conjunction with lifting hooks. Available in Blue, Green, Red or Yellow - please specify. FOB Shipping Point.
