

THE HEAVY-DUTY MACHINE MOVER

close

- Safely move heavy loads without expensive equipment.
- Low friction, crawling chain action of these economical Machinery Movers transports heavy equipment right on factory floors.

Easy to use: lift the load just inches, set the movers and move! Choose Steel Chains for ordinary concrete floors or non-marring Nylon Chains for delicate floors. Available in either rigid style for straight line moving or swivel style when turns are required. Swivel style features a locking device integrated every 45° for precision placement. Steel chains top styles available in diamond grid or with built-in pad. Nylon chain movers have padded tops. All steel frame construction withstands rough use. Steering handles are available for the swivel styles. FOB Shipping Point.
