

EASYLIFT™ DRUM AND ROLL TRANSPORTERS

[close](#)

- **The safe, simple and ergonomic way to lift and transport drums on/off pallets, spill pallets, floor scales, cabinets and under piston pumps.**

Built in the U.S.A and designed for virtually maintenance-free operation since 1993. Eliminates strained backs, pinched fingers and the risk of injuries caused by manhandling drums. All models are available with optional scales for weighing drums without the need for floor scales. All models provided with 20" of lift with optional taller masts for double or triple stacking. Standard EG1 clamping mechanism handles all chimed plastic, steel, or fiber drums. All models are also equipped with step-down foot floor locks or locking swivel casters. All models are powder coated safety yellow except for FDA option which is gray powder coating. All models equipped with non-marking Darcor™ ergonomic casters having precision bearings. (Excluding EL800 economy model which are provided with ball bearing casters). FOB Shipping Point.
