

PORTABLE DRUM RACKS

[close](#)

- Racks stack 4 high and provide four way access with a forklift.
- All-welded racks are made of rectangular steel tubing.

Use your forklift to move and store drums. Drum cradles are 1/4" formed steel. Individual racks may be loaded or unloaded -- one rack or the entire stack may be moved. (HPDR3 racks have two way forklift access -- recommended not to be moved stacked more than 2 racks high.) FOB Shipping Point.
