

⚡ UPHOLSTERED SEATING

[close](#)

- Economical seating for production line and industrial use.
- 12 Year (Lifetime Guarantee on Cylinders) warranty.

Easy manual seat height adjustment with 360° swivel. Waterfall seat design is 3-3/4" thick with high density foam and durable fabric. Adjustable backrest provides improved lumbar support. Du Pont Teflon Protected Olefin fabric is flame-retardant, and resists fading, pilling, punctures and moisture. Sturdy 5 legged, 16 ga. tubular steel base with plastic glides and welded 19" chrome foot ring. Available in Fabric/Vinyl Inserts: Black/Black, Blue/Blue or Gray/Black -- please specify. FOB Shipping Point.
