

ERGONOMIC STANDARD SERIES CHAIRS

[close](#)

- **The most ergonomically designed seating in the industry.**
- **These advanced designed ergonomic chairs properly support balanced work postures that reduce fatigue.**

Torso and hip are supported so minimal force is exerted to hold the torso stable -- serves as a firm anchor providing the potential for reducing fatigue and cumulative trauma disorders. Constructed for rugged use with sturdy, 5-legged bases and contoured backrests and seats. Highly functional chairs offer Soft Touch pneumatic mechanism for quick and easy seat height adjustment. Chairs also swivel to permit easy side-to-side movement. Available in Black finish. Upholstery and other options available. FOB Delivered.
