

LIFT TRUCKS

Super Hoist

Perfect for:

- Metal and fiberboard air ducts
- Overhead sprinklers/plumbing
- Sheetrock and ceiling panels
- Forced air heaters/chillers
- Electrical fixtures

The superior lift for maintenance or installation work. Gas-operated lifting system lifts 350 lbs., activated from a patented control handle for up and down functions, including the dump valve. "One size fits all" CO₂ bottle mounting bracket. Oil reservoir on

top of each piston inside the cylinder assures proper lubrication for product lifetime. One-piece platform attaches to the cylinder with a twist of the wrist. Spring loaded easy-to-release safety lock mechanisms keep each leg "up" for storage or "out" for use. Foot-operated caster locks. Easy one person set up, movement and maintenance. FOB Shipping Point.

Product No.	Cap. (lbs.)	Lift Hgt.	Loading Hgt.	Platform Size	Overall Size W x D x H	Storage Size W x D x H	Wt. (lbs.)
HGH 3.8	350	12' 5/8"	41"	19 x 24"	53 x 53 x 41"	12 1/2" x 12 1/2" x 39 1/2"	64
HGH 5.6	350	18' 5/8"	54"	19 x 24"	53 x 53 x 54"	12 1/2" x 12 1/2" x 52 1/2"	69

The Hand Truck That Lifts

- Easy-turning silent winch safely lifts and lowers 200 lb. loads...brake automatically locks whenever handle is released.
- Legs and platform fold for compact storage or transportation.

An affordable lifter designed to handle many lightweight jobs around the office, factory or warehouse. Ideal for freight parcels, electronic equipment, appliances, cartons, etc. Sturdy aluminum construction ensures long wearing use. Smooth-rolling on industrial-duty wheels -- even on stairways. Pneumatic tires also available -- please contact dealer. Add on for optional front wheels \$70.00 -- Add on for optional pneumatic tires \$35.00. FOB Shipping Point.

Product No.	Cap. (lbs.)	Lift Hgt.	Overall Size L x W x H	Platform Size L x W	Wt. (lbs.)
HLL-5.5	200	67"	28 1/2 x 20 1/2 x 43"	16 1/2 x 16 1/2"	45

(Shown with Optional Front Wheels)

Straddle Base

The Genie Lift

- Durable steel construction for years of dependable service.
- These easy lifting trucks feature removable winches and attachments for space saving storage and transporting.
- Includes standard fork.
- Heavy duty wheels and brakes for safe and easy movement. Three bases to choose from. FOB Shipping Point.

Standard Base Genie Lift...available in 4' and 8' mast heights. Great for narrow work spaces. Optional ladder lets you work on your load and conveniently locks into storage position.

Straddle Base Genie Lift...available in 4', 8', 10' and 12' mast heights. Ideal for straddling wide loads. Easily reaches loads above wide fixed objects. Optional ladder.

Counterweighted Base Genie Lift...available in 5', 8', and 10' mast heights.

Counterweighted eliminates the need for extended legs -- lets you get close to your load. Comes with rugged 5" rear swivel wheels, 4 point casters and side-locking brakes.
