

# GILLIS/LPI WIRE SHELVING

## WIRE Shelving

- Economical chrome shelving holds 600-800 lb. loads.
- Open air design and bright finish allow for cleanliness, minimizing dirt and dust built up.

High visibility – light reflects off and brightens the room. Increased sprinkler effectiveness allowing the water to flow down to the source of the fire. Shelving assembles easily without tools. Posts are marked every 8" for ease of assembly. Starter units come with 4 shelves and 4 posts with leveling feet. Add-on units come with 4 shelves, 2 posts with leveling feet and 8 S-hooks. Units can be attached at right angles using s-hooks allowing an open corner design for easy access or end to end in a straight line. Shelves adjust on 1" increments. FOB Shipping Point.
