

## CM LODESTAR ELECTRIC CHAIN HOIST

- The most popular hoist used in the industry today!
- Features lifetime lubricated gear train with non-oxidizing grease.

Dependable service in plating operations, food processing, steel mills, and inverted usage. Dual braking system provides the safety comparable to high capacity crane systems. Superior design allows complete OSHA inspection in minutes with no special tools while the hoist remains in place. This simple, accessible design makes the LodeStar the easiest electric hoist to install and service, reducing downtime while increasing productivity, efficiency and economy. FOB Shipping Point. Made in U.S.A.
