

## New Electric Pallet Truck with Scale

**EPT-2547-30-SCL**

**EPT-2748-45-SCL**

Fully powered pallet truck for easy and quick operation. Built-in digital scale for weighing pallets. Scale does not carry NTEP approval. Scale head includes RS232 port for serial printing. Includes fingertip raise and lower buttons. Easy-to-operate throttle for forward and reverse direction. Throttle offers infinite forward and reverse speeds. Safety features include a horn and belly reverse button. Unit and scale runs off 24V batteries with battery charger and level gauge standard. Units will typically achieve a minimum of eight (8) hours of service on one full charge. Emergency disconnect included standard. Intermittent capacity at 75% operation time only.
