

 "POWER STOCKER" LIFT

[close](#)

- **Designed for smooth, easy one-person order picking up to 15' high.**
- **Engineered for dependable and safe service.**
- **No outriggers required.**

Incredible functionality and quality -- affordably priced. Manually propelled lift rolls easily to the work area. Features ground entry. Hydraulic lift -- high quality controls require both hands to operate for user safety. Key lock control prevents unauthorized use. Small foot print won't block aisles and is easy to maneuver. HPS-10 is only 69" tall for easy movement through standard doorways. 450 lb. weight capacity, both operator and inventory. 12V DC power with mounted charger included. Recharge using standard 110 volt outlet. 80 to 100 raise and lower cycles between charges. Removable guard rails beside stock platform for easy loading and unloading. Meets/exceeds ANSI safety standards. FOB Shipping Point.
