

## ⚡ CUSHION LOAD PLATFORM TRUCK

- Available with pneumatic tires or with puncture-proof cushion rubber wheels.
- Rugged all-welded steel construction.

Choose 4-ply pneumatic tires to provide maximum cushion, absorbing shock and to reduce vibration -- ideal for moving loads over rough or uneven surfaces. Or select large 10" x 2.75" puncture-proof cushion rubber tires that are well-suited for use over irregular surfaces yet are easier to move under heavier loads than pneumatic tires. Removable crossbar handle. Rolls on 2 swivel, 2 rigid casters. FOB Shipping Point.
